

You are listening to hip hop music.	You are taking a test.
You are running up some stairs.	You are having a massage.
You are writing a love letter.	You are feeling drunk.
You are looking in the mirror.	You are driving a bus.
You are giving a presentation.	You are watching a comedy.
You are riding on a roller coaster.	You are doing your homework.
You are carrying a heavy bag.	You are playing badminton.
You are flying a kite.	You are waiting for the bus.
You are washing clothes.	You are lifting weights.
You are singing in the shower.	You are eating spaghetti.
